Doctors Hospital at Renaissance proudly meets the federal definition of a “physician-owned hospital” (42 CFR § 489.3). As required by law, a list of the hospital’s physician owners and investors is available at www.dhr-rgv.com. DHR, Ltd. and its affiliated entities comply with applicable Federal civil rights laws and do not discriminate on the basis of race, color, national origin, age, disability, or sex.
The Continuing Medical Education Committee at Doctors Hospital at Renaissance is proud to present the 9th Annual Medical Education Conference. This program is designed to provide Physicians, Nurse Practitioners, Physician Assistants and Nurses with up to date and evidence based clinical data. Emphasis will be placed on the practical application of content presentation. It will also cover a wide range of topics essential to all practitioners at the level of a practicing physician. The intention is to improve competence in making an appropriate diagnosis and providing effective treatment and consultations with the overall goal of improving patient outcomes. This represents an important step toward fulfilling our mission of bringing state of the art care to our community.

The educational and informational needs for this continuing medical education event were compiled from attendees written evaluation summaries from previous medical education activities. This conference will provide the tools to better manage their practice and address disease states common to the adult and pediatric populations with an emphasis on optimizing quality care and patient outcomes. The conference will highlight diagnosis, treatment and management of several diseases and conditions with discussion of the new advances in care and technology related to primary care.

General Learning Objectives
- Discuss current guidelines and evidence based medicine as applicable to each specific topic’s specific objectives
- Discuss the management and future directions of treatment.
- Discuss new advances in care and technology related to primary care.
- Utilize current advances in the diagnosis and treatment of the common problems seen in the primary care setting.

Intended Audience
The 9th Annual Medical Education Conference is designed for Primary Care Physicians, Family Practice, Internal Medicine, Pediatricians, Ob/Gyn, Gynecologists Neurologists Oncologists, Endocrinologists Psychiatrists, Intensivists, Cardiologists, Emergency Medicine Pulmonologist and Surgeons. This content is also appropriate for Advance Nurse Practitioners, Physician Assistants and Nurses that provide direct patient care.
